Dear Business Leader:

In just a few months, spring will be upon us and it will be time for Adult and Youth sports leagues to begin at our beautiful James G. Atkinson Park. Last year we had a great season and hosted approximately 250,000+ players, visitors and spectators. The James G. Atkinson Park accommodates over 250 adult and youth sports teams including tennis, baseball, softball, flagfootball, and soccer. The park also serves as an entertainment venue for movies and concerts throughout the spring and summer.

Support from our business community is necessary to continue the quality programing at our county parks. This is not only a good opportunity to promote your business to thousands of new potential clients, but you will also be helping the community at large.
